“Offshore Wind Energy 2017 enabled productive meetings between engineers, business people and policy makers.”

Tim Camp
 Business Development Director
 Northern Europe, Middle-East & Africa
 DNV GL - Energy

“As usual, the offshore wind conference and exhibition was the go-to event of the year for the industry. In fact, we brought our whole company to attend as it is the best way for everybody to dive into the reality of the sector - everybody was there!”

Jérôme Guillet
 Managing Director
 Green Giraffe

“So many of the people I wanted to see were there – it really was a great place to catch up with industry friends and make new connections.”

Bruce Valpy
 Managing Director
 BVG Associates
